The above statistics are those reported by the marine patrols only. Complaints that are received and handled by the Sheriffs' regular road patrol, DNR, or the State Police are not reflected. Lake Chemung continues to be one of the busiest public access all-sports lakes in Livingston County. Patrols are directed to coordinate their time both on the water and in the access area providing safety inspections and control. Regular road and marine patrols have also been active in deterring individuals from violating the rules at the county park on Grand River Avenue. Those individuals who have a question pertaining to the Marine Safety Act are asked to contact Don Jakrzewski at 517-546-2440. If a complaint arises, the person should phone 911. All Sheriffs' Deputies, State Police and DNR officers are able to enforce the Marine Safety Act.
